Insurance

Please note that the Vintage Japanese Motorcycle Club has in place a public liability insurance policy for VJMC run events. This policy covers the Club in the event of a claim from a visitor to the event.

Disclaimer: All motorcycles entered in the event should be insured. In the event of damage occurring to an entrant's motorcycle then it is the responsibility of the machines owner to ensure that they have an insurance policy that covers the machine whilst on display.

Motorcycle entries: I hereby confirm that I have read and understood the disclaimer. Also I confirm that my motorcycle is covered by my own insurance policy whilst being displayed.

Signed.....**Date**.....

Registered business entries: I hereby confirm that I have my own current public liability insurance policy. **Signed**

Business Name.....**Date**.....

Non business registered entries: Anyone who is not a registered business but is simply selling residual motorcycle spares will be covered in respect of public liability insurance by the VJMC. However their 'shop' must remain within their designated pitch.
