WHAT'S ON OFFER

Who are we?

The VJMC is an enthusiastic club united in the common interest of owning, riding, preserving and restoring ANY Japanese motorcycle 15 years and older.

History

From an inaugural meeting of the UK VJMC in a paddock in Donington park in 1982 the Club now has over 5000 members along with international members.

Magazine

The club's bi-monthly magazine "Tansha" features Japanese motorcycles from the late 1950's up to 15 years ago. Restorations, repairs, racing, shows, rideouts and in-depth mechanical techniques are all covered along with ongoing projects and a good slice of humour.

Activities - National and Local

The VJMC attends numerous national and local shows throughout the year, actively supports classic racing and track days. There are also more than 40 local UK sections that hold regular meetings, rideouts, events and social functions.

Marque & Model Specialists

With such a huge wealth of expertise the VJMC offers expert knowledge on a wide range of classic Japanese motorcycles all of which can be accessed via the pages of the club magazine and web site.

Insurance

The club has negotiated special rates and benefits with leading brokers which can easily outweigh the cost of membership. These insurances can offer "agreed value" options where appropriate. This allows your "old bike" to be insured as a classic at a set value.

Affiliations

The club seeks to ensure members bikes are recognised as classics. Therefore we are members of the FBHVC and MAG.
